Building Inspector: Jim Waddy (810) 650 1714

Electrical Inspector: Bruce Affelt (810) 941-9820

Mechanical & Plumbing Inspector: Tim Kelly (810) 392-2582

**RE: Electrical Information**

A site plan is required to show the location and height of the electric meter on all additions, remodeling projects, and decks.

Detroit Edison requires meters to be a minimum of 3 ½ feet above decking.

ARC FAULT protection is required on all bedroom circuits.

An electrical permit may be necessary in order to move the electrical meter.

If you have any questions, please feel free to call.
