

Wales Township Policy No. 18

Adopted by Majority Vote of the
Wales Township Board on 9-6-16

Wales Township Clerk

Building Bond Extension Procedure

When a building bond expires, consideration of forfeiture will be submitted to the Township Board. The exception to this is that if work is ongoing and the Building Inspector is satisfied with the progress of the build, the bond may be extended for six (6) months by the Township Clerk for an administrative fee of twenty five dollars (\$25.00). This action must be reported to the Township Board. If there are problems or extenuating circumstances or a differing of opinion between the Building Inspector, other inspectors, and the Clerk, the Clerk will place the matter before the Board.
